

DUISKE
KILKENNY

PRODUCT BROCHURE

INTRODUCTION

The names of Duiske and Kilkenny have been synonymous with Irish Glassware Design for over 35 years. As part of its ongoing commitment to bring fresh new design and uncompromising product quality to its customers, Tipperary Crystal is delighted to present the new Duiske Kilkenny Collections.

With four new collections, Fusion, Ice, Spirit and Eclipse, the reintroduction of the popular "Occasions Collection," and further new products available later in the year, we are delighted to reintroduce Duiske Kilkenny as the leading brand of Irish Glass Design.
